Introduction

Why is entrepreneurship education important? Entrepreneurship is more than just starting a business. It's a mindset, a set of skills, and a way of thinking that can empower people to solve problems, create value, and pursue their hobbies. Entrepreneurship education is the process of developing and developing entrepreneurial skills in people of all ages and walks of life.

Lesson Content

Mode of presentation of educational material	Ppt and Word document
Title	Integrating Social Entrepreneurship into Teaching Practices
Sub-Unit 1 (2.5 hours) Integrating Social Entrepreneurship into Teaching Practices

Adapt and thrive in a changing world Entrepreneurship education can prepare beneficiaries for the challenges and opportunities of a dynamic and uncertain future where they will have to deal with complexity, ambiguity and change.</p>
	<p>Theoretical Framework</p> <p>Social entrepreneurship is the application of traditional entrepreneurial practices to achieve social goals or social mission. Criteria:</p> <p>Group I</p> <ul style="list-style-type: none"> • Entrepreneurial approach • Self-sufficiency • Backup <p>Group II</p> <ul style="list-style-type: none"> • Social impact • Financial stability • Innovation
	<p>Practical Application</p> <p>Social entrepreneurship projects Engineering projects IT projects</p>
	<p>Discussion and Reflection</p> <p>Entrepreneurship education is not a one-size-fits-all approach. Different countries and regions have</p>

different needs, challenges, opportunities and cultures that shape their entrepreneurial ecosystems. Therefore, it is important to adopt the best practices of entrepreneurship education from around the world and adapt them to the local context.

One of the main goals of entrepreneurship education is to equip beneficiaries with the **skills, mindsets and abilities** necessary to realize their entrepreneurial aspirations.

Conclusion and Summary

The main goal of the course is to bring together interested parties on one platform to discuss the most urgent topics and successful experience in social entrepreneurship.

Integration and Transition

Integrate entrepreneurship into the existing curriculum. This can be achieved by incorporating entrepreneurial concepts, skills and activities into learning objectives, content and subject assessment.
